### Analysis and action taken report of Parents' Feedback Report (2023-24)

Key Area	Analysis (Feedback)	Action Taken
Teaching-Learning Process	53% rated teaching as very good or excellent, but 30% highlighted the need for improvement.	Conducted teacher development programs to enhance teaching quality and effectiveness.
Academic Regularity	75% rated regularity as excellent or very good, but 60% identified the need for better consistency.	Improved monitoring of attendance and implemented stricter adherence to academic schedules.
Evaluation Transparency	78% rated evaluation transparency as very good or excellent, with 62% suggesting improvements.	Conducted faculty counseling on transparent evaluation practices.
Counseling & Guidance	75% expressed satisfaction, though 40% sought better counseling support.	Organized additional counseling sessions for students.
Ward's Overall Development	75% rated overall development positively, though 50% saw scope for improvement.	Initiated skill development programs and extracurricular activities for holistic growth.
Infrastructure & Facilities	Only 26% rated overall infrastructure as excellent or very good.	Sent demand requests for funds for upgrading classrooms, improving maintenance, and enhancing basic infrastructure.
Laboratories Infrastructure	32% rated lab facilities as excellent or very good; 18% indicated significant room for improvement.	Procured new lab equipment and improved existing facilities.
Library Facilities	31% rated library facilities as excellent or very good; 15% sought better resources and infrastructure.	Added more books and references and improved library access and maintenance.
Sports Activities	73% satisfaction with sports facilities, though 51% called for improvements.	Renovated sports facilities and introduced more student-friendly sports programs.
NCC/NSS Activities	Only 16% rated activities as excellent or very good, indicating low engagement.	Promoted awareness and participation in NCC/NSS programs.
Grievance Redressal	67% rated grievance redressal as very good; minimal dissatisfaction observed.	Continued to strengthen the grievance redressal committee for timely and effective resolution.
