Action Taken Report

Student Satisfaction Survey 2024–25

1. Improvement in Teaching–Learning Processes

Faculty advised to clearly explain syllabus, COs/POs in the first week of classes.

Teaching plans and syllabus completion reviewed regularly by HoDs.

Post-test discussion made mandatory for all departments.

2. Enhancement of ICT-enabled Teaching

More use of projectors, multimedia, and e-resources encouraged for the faculty.

Smart classroom usage increased through timetable adjustments.

3. Strengthening Mentoring and Classroom Engagement

Teachers instructed to conduct regular mentoring sessions.

More group discussions, presentations, and interactive methods introduced.

4. Evaluation Transparency

Common rubrics adopted for internal assessments.

Students allowed to review evaluated answer sheets for clarity.

5. Library and Learning Resources Upgraded

New books and reference materials procured.

Reading room hours extended.

6. Improvement in Infrastructure & Facilities

Internet connectivity strengthened with additional routers.

Toilets/washrooms placed under strict cleaning supervision.

Laboratories upgraded with new equipment.

7. Support for Co-curricular & Extracurricular Activities

Expanded academic and cultural activity calendar.

Students encouraged to participate in seminars, competitions, and sports.

8. Grievance Redressal Strengthened

Periodic review by the Grievance Committee encouraged.

9. Campus Environment Initiatives

Plantation and cleanliness drives conducted through NSS.

Awareness programs for eco-friendly practices carried out.
