ACTION TAKEN REPORT

Teachers' Feedback Survey 2024-25

1. Improvement of Library Resources

Based on feedback regarding insufficient prescribed books, new textbooks and reference materials were procured and library stock updated.

2. Strengthening Infrastructure

Upgradation of classrooms, staff rooms, and reading spaces initiated.

ICT facilities enhanced to support teaching-learning and faculty use.

3. Encouragement of Innovative Teaching Methods

Faculty given full freedom to adopt seminars, group discussions, presentations, and ICT tools.

Workshops organized to support innovative pedagogy.

4. Support for Research & Projects

Research guidance strengthened; faculty encouraged to apply for minor projects.

Administrative support for research-related activities improved.

5. Professional Development Opportunities

FDPs, workshops, seminars, and training programs arranged for skill and knowledge upgradation.

Policies for non-discriminatory professional growth reinforced.

6. Curriculum-Related Involvement

Faculty encouraged to participate in BOS/Academic Council meetings.

Teachers motivated to contribute to curriculum design and revision at the university level.

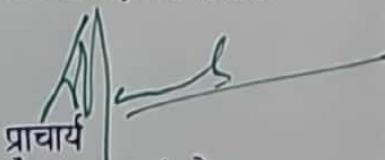

7. Enhancement of Evaluation & Assessment Processes

Timely conduct of examinations ensured with full syllabus coverage.

Faculty participation in university evaluation duties further supported.

8. Strengthening Grievance Redressal

As teachers rated grievance redressal highly, the system was further streamlined to ensure continued timely resolution.
